

New sizes available!

Van Beest expands the range of **Green Pin® ROV Release shackles** with the introduction of several new sizes. The complete range from WLL 6.5 up to and including 150 t can be supplied directly from stock! Shackles with WLL 200 and 250 t are available on request.

Green Pin® ROV shackles with locking clamp are designed for under water use in harsh conditions. The unique design, developed in close cooperation with the end users of this type of products, makes them easy to manipulate by a robot.

Please find herewith the latest Van Beest product information including details of these new sizes. For more information please contact us: sales@vanbeest.com
