TYPE APPROVED PRODUCT
CERTIFICATION NOTE 2.7-1
CERTIFICATE NO. S-7593

Renewed DNV Type Approval certificate

Recently Van Beest has been audited by DNV (Det Norske Veritas) for the renewal of our Type Approval certificate for the Green Pin® Standard and Green Pin® Polar shackles. We achieved positive results; our certificate is renewed for another 4 years. Our shackles are found to comply with:

DNV 2.7-1 Offshore Containers
EN 12079-2 Offshore containers and associated lifting sets
EN 13889 Forged steel shackles for general lifting purposes
IMO/MSC Circular 860
US Federal Specification RR-C-271D
DNV Standard for Certification No. 2.7-3 Portable Offshore Units

The new certificate S-7593 confirms continued compliance of the above mentioned types of shackles with the latest DNV standards. The approval of both the design and the production process make individual testing unnecessary, so it saves you a lot of time and money.

Please find a copy of the renewed type approval certificate attached for your convenience.
